

# Privacy Policy

## QWERTY Framework Pentest Reporter

QWERTY Framework Pentest Reporter is committed to protecting the privacy of its users. This privacy policy outlines how we collect, use, and protect the personal information that our users provide to us when they use our application.

What information do we collect?

We collect the names and email addresses of our users. This information is collected solely for authentication purposes and is used to identify users and provide them with access to the app's features.

How do we use this information?

We use the information we collect solely for authentication purposes. We will never share, sell, or rent this information to any third party.

How do we protect this information?

We take the security of our users' personal information seriously and take reasonable measures to protect it from unauthorized access, use, or disclosure. We implement appropriate technical and organizational measures to ensure the confidentiality, integrity, and availability of the information we collect.

How long do we retain this information?

We retain the personal information we collect for as long as it is necessary to provide the authentication services to our users. When it is no longer necessary to retain this information, we will securely delete it.

What are your rights?

As a user of our application, you have the right to access, update, or delete the personal information that we have collected about you. If you would like to exercise these rights, please contact us at [qteam@qwertyframe.com](mailto:qteam@qwertyframe.com).

Changes to our privacy policy

We may update this privacy policy from time to time. Any changes we make will be posted on this page, and the date at the top of this page will be updated accordingly.

#### Contact us

If you have any questions or concerns about our privacy policy, please contact us at [qteam@qwertyframe.com](mailto:qteam@qwertyframe.com).
